TrakMotive, is pleased to be a new participating sponsor of Brenton Productions and will be featured in select episodes of *Truck U*, *Two Guys Garage* and *Car Fix* cable TV shows to better reach our customer base.

Brenton Productions shows on MotorTrend Network and MotorTrend On Demand reach an estimated 1.6 million total viewers per episode. MotorTrend is the world's #1 Automotive network, reaching 74 million cable & satellite households.

It is important that we find new creative ways to connect with our market to educate both DIY and DIFM installers about the latest in CV Axle and Drivetrain technology. TrakMotive will continue to pursue creative ways of engaging downstream to increase our brand recognition and ultimately drive sales.
