Vincent McMahon Named President of Advanced Innovative Technologies USA

We are very excited and pleased to inform you all that Mr. Vincent McMahon has accepted a promotion to become President of Advanced Innovative Technologies USA (A.I.T.). Vince has assumed his new position effective January 1, 2018.

Vince has done a wonderful job in his first year of bringing stability, accountability, growth, teamwork, and a plan to A.I.T.. We have been without a President since Dan Hough's retirement and thanks to our great employees we have continued to serve our customers with the exceptional service they deserve. We look forward to the many exciting challenges and opportunities that lie ahead with Vince in his new role.

On behalf of our entire management team, we want to thank each and everyone of you for your continued support of AIT/WONH and our products. AIT/Wonh is committed to serving you to help make your job easier. We wish you and your families Peace and Blessings this new year, and again thank you for your dedication and commitment to A.I.T. We have a great team and we have great customers!

Let us continue to grow together!
