

## TrakMotive® Continues to Expand Product Offerings

We have made a significant commitment to expand our product offerings to help maximize your sales opportunities. With our continued focus on long-term and sustainable product development, TrakMotive® is positioned as a leading resource for our customers in the automotive and power sports markets.

### Recent Accomplishments Include:

#### Brand New Prop Shaft Program

- Details will be unveiled at AAPEX – Booth # 6330

#### Continued Expansion of our New CV Shaft Offering

- Industry leading coverage with 1,736 sku's

#### Expanded New Window Regulator Coverage

- Comprehensive coverage for domestic and import applications
- Providing more coverage with fewer sku's

#### New Subaru HD Axle Program

- Solves OE binding issues by providing a full 45° of articulation and 50% more linear travel than conventional OE style axles

All products are manufactured in our state of the art ISO 9001-2008 and TS 16949-2009 certified manufacturing facility and have been engineered to improve on the OEM design. All units are available and ready to ship from our U.S. and Canadian distribution centers.
