

TrakMotive[®] Advantage

TrakMotive Continues to Expand Product Offerings

TrakMotive[®] has made a significant commitment to expand our product offerings to help maximize your sales opportunities and make doing business easy. With continued focus on long-term and sustainable product development, **TrakMotive is positioned as a leading resource for our customers in the automotive and power sports markets.**

Did You Know? TrakMotive has added over 400 New Numbers in the first 8 months of 2019 and almost 1000 New Numbers in the last 15 months!

Our New CV Axle program has been expanded to over **2,400+ SKU's**, covering 22,000 year-make-model applications and over 476 million-part opportunities. This is over 500 more SKU's than our closest competitor.

Additionally, in the CV category, we have introduced 23 new CV Intermediate Shafts and 4 CV Axle Brackets to better serve our customers and offer products the competition can't.

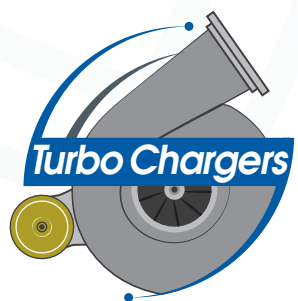

ATV/UTV OE CV Axle program now has **412 SKU's**, including 152 HD axles

Our "All New" complete Drive Shaft Assemblies have expanded to **340 SKU's**, covering 4,000+ year-make-model applications and over 78 million-part opportunities.

Our New Window Regulator coverage has been expanded to **2,500+ SKU's** covering over 32,000 year-make-model applications and over 500 million window options.

Our New Turbo Charger program includes **34 SKU's** covering 379 year-make-model applications and over 8 million-part opportunities.
