FOR IMMEDIATE RELEASE

TrakMotive Introduces 8 New CV Axles for the Honda Talon

REDLANDS, CA - As a leading manufacturer of CV axles for ATVs, UTVs and Side-by-Sides, TrakMotive is pleased to announce the release of 8 new part numbers fitting the 2019-2021 Honda Talon 1000R, 1000X and 1000X-4 models. Available in both OE Replacement and Heavy-Duty versions, these axles are in stock and ready to ship. TrakMotive is committed to offering the largest selection of CV axles in the industry while continuing to be first to market with new applications.

TrakMotive CV Axle Applications			OE Replacement Fitments				Heavy-Duty Fitments
